Date

Payment must be included with this application to ensure the junior is enrolled. Each camp is limited to 15 juniors. We will have a 1 to 5 instructor to student ratio in all camps

Clubs for Kids Guidelines

Juniors are not required to have their own clubs for Pee Wee Camp & Junior Camp 1. These camps are specifically designed to be an introduction to the game. **Don't invest in clubs at this stage.**

Those juniors who will be in Camp II will require their own equipment. There will be no sharing of equipment.

Tips for Selecting Junior Clubs

- 1** Purchasing golf clubs can be expensive. It doesn't have to be if you purchase the right equipment the first time.
- 2** Juniors do not require full sets when starting out. It is recommended that each junior start with a minimum set of clubs. This could be a single wood, two irons and a putter. As skills grow then clubs can be added.
- 3** Cutting down clubs for kids makes the club stiffer. For every 2 inches the club is shortened, the relative flexibility of the shaft increases by one flex; i.e. a driver with an 'R' flex shaft effectively becomes an 'S' flex.

Junior Camp Introduction

The main purpose of our Junior Program is to develop not only better golfers, but also better people. It is vital to remember that the child is more important than the golf swing or the game. The goal of every junior program is to develop life-long golfers; golfers who will continue to play long after the program is over.

We've carefully set up our program for all age levels & abilities with restrictions on the number of students in each session. Those who have participated in our golf camps in the past have enjoyed the program with many advancing their skills..

Three Levels Available

Each camp will be limited to 15 students with an instructor to student ratio of 1-5.

Pee Wee: Ages 6 - 10

Designed to be a fun introduction to the game. We will cover the fundamentals of the game such as: grip, stance, swing, golf etiquette, safety, individual responsibilities and conduct while on the course.

Camp I: Ages 11 - 16

Designed as an intro to the game and will cover grip, stance, swing, chipping, putting etiquette, rules and equipment.

Camp II: Ages 9 - 16

The primary focus is to master the individual skills of full swing, pitching, chipping and putting. Each junior will have their golf swing videotaped & analyzed, and will be given a copy which will include recommendations for improvement.
